Class	Age	Entries	Placement	Gender	Exhibitor	Critique
Ermine	Ad	2	First	Buck	Ormsbey Stud	Very nice bold type, shame so broken in coat, lovely head and front legs.
			Second	Doe	Tibbar Stud	Looks to have a lovely jacket, cracking colour, shame that the dewlap spoiled and long legs.
			Third			
Ermine	u5	1	First	Buck	Ormsbey Stud	Nice baby, lovely type and front legs, lovely colour, promising coat, just a bit young to compete with the adults today.
			Second			
			Third			
Black	Ad	2	First	Buck	Paul Fry	Touch on body shape, nice looking jacket, fair belly, good colour.
			Second	Buck	Paul Fry	Better type than first, good colour, fails belly, lets this one down.
			Third			
Black	u5	2	First	Doe	Nathan Schofield	Very nice baby, would have liked to feel the coat on this, nice body shape and good head, shame ears.
			Second	Doe	Blackvelvet Stud	Fair all round baby, decent type and head, good colour, fair looking coat.
			Third			
Havana	Ad	2	First	Buck	Chris Bennett	Two nice attempts - winner won on belly and overall colour today.
			Second	Doe	Blackvelvet Stud	Touch belly colour, good type.
			Third			
AOC Self	Ad	1	First	Buck	Jean Tomkinson	Nice attempt, very nice type and good colour, shame curly under.
			Second			
			Third			
Siamese Seal	Ad	2	First	Buck	Manzana Stud	Nice bold type, looks to have nice texture to coat. Good colour. Fails under.
			Second	Doe	Manzana Stud	Dewlap spoils, good colour. Nice belly.
			Third			
Siamese Seal	u5	3	First	Buck	Nathan Schofield	Really nice class for type. Good colour, type and belly. Lovely bold head.
			Second	Doe	Nathan Schofield	Promising baby, nice round body, good colour, nice under.
			Third	Buck	Manzana Stud	Another promising baby, good type and head, touch curly under. Nice colour.
Siamese Sable	u5	1	First	Doe	Limetree Stud	Looks to have a nice textured coat. Touch dark in colour. Fair body, could be bolder in type.
			Second			
			Third			
Black Otter	Ad	9	First	Buck	Cedarhouse Stud	Lovely rabbit, smashing head and cracking body with lovely little front legs - nice top colour but could have brighter tanning.
			Second	Buck	Cedarhouse Stud	Another nice rabbit, miles better tanning than all of the otters, excelling colour but front legs let it down.
			Third	Buck	Cedarhouse Stud	Cracking type, lovely head, front legs, spotless under - brindling on the nose and thick jowl spoil this otherwise nice rabbit.
Black Otter	u5	2	First	Doe	Poppy Hodder	Wins on tanning - lovely colour, nice body shape, ears a tad long for me but could grow into them, fair head.
			Second	Doe	Poppy Hodder	Fair all round rabbit, pale on tanning, nice shape, long eared.
			Third			
AOC Otter	Ad	3	First	Doe	Phillippa Lles	Nice rabbit, liked attempt on this blue, lovely colour and type.
			Second	Doe	Phillippa Lles	Choc otter - decent type, fails colour for me personally - could be richer in colour and off eye colour.
			Third	Doe	Phillippa Lles	Not type of the first two - good colour, keep persevering!
Marten Seal	Ad	1	First	Buck	Manzana Stud	Nice all round Marten, lovely type, seems to have a nice jacket, good colour, nice.
			Second			
			Third			
Marten Seal	u5	3	First	Doe	Manzana Stud	Fair all round class, all very similar in the fact they lacked type - could all do with more shoulder and head and ear substance.
			Second	Buck	Manzana Stud	Nice colour and fair looking jacket.
			Third	Doe	Manzana Stud	Decent colour, fair looking jacket, off head.
			First	Buck	Ormsbey Stud	Good attempt at a Marten Smoke Pearl, shade too dark but nice shadings, good body shape, fair head, nice underneath.

			Second	Buck	Spencer Bartle	Again excelling type, bold head and smashing colour.
			Third	Buck	Spencer Bartle	Beautiful little rabbit, one I liked, shame put in as an adult because as an u5 this would've gone far, excelling body shape, head to come, best coloured Orange I've seen in a while.

			Second	Doe	Tayla Wilding	Good colour, fair body shape, could come on yet.
